CALL ME from IDT Domestic Telecom, Inc. ("IDT") is a service that allows U.S. consumers to obtain a dedicated virtual local phone number ("DVL Number") in certain countries and have calls made to that DVL Number automatically forwarded to a U.S. phone number. Service period: 30 days from payment of plan fee. Plan fee varies by country. Account must be renewed at participating Bos Revolution retailer during each 30 day service period for continued service. Additional plan fee required for each renewal. Once account expires, same DVL Number not guaranteed unless service reactivated within 14 days of expiration. Unlimited inbound calls to forwarding U.S. phone number. U.S. forwarding number can be changed 3 times each month (only two times in the first month). Account valid only for receiving calls in the US and its territories. Account and funds can not be used for outbound calls. Residential personal use only. DVL Numbers available in certain countries only – ask retailer. Users should check with local service provider in foreign country to verify cost of call to DVL Number. DVL number on receipt and will also be sent by SMS. No credit for partial month. Account and funds are non-refundable. U.S. termination services provided by IDT. Int'l. telecommunication services provided by third party carriers. Account may be terminated without notice if service used in illegal, improper or abusive manner or in violation of any service term. For customer service dial 1-800-786-3037.
